Our balloons brighten any party !

Balloons make any party more festive! Make an impression by adding any combination of balloon arrangements to your party.

Let your guests take stick balloons or helium-filled balloons home (our kids' favorite party favor!), and wow your guests with our **professionally-styled** garlands and bouquets!

Our Deluxe package includes an 8-foot garland and up to 4 balloon centerpieces, or choose à la carte!

Our balloon arrangements are handcrafted and biodegradable.

Our specially-trained balloon artists use the **highest-quality balloons** to create each arrangement from scratch.

Our **custom-designed**, handcrafted process rivals any "do-it-yourself" kit and is all created **in-house** just FOR YOU — no more trying to cram bundles of balloons into your car!

We can match Pinterest ideas, party themes, and more! Want to be more hands-on? Select your colors from our palette or set up an appointment to choose from our inventory! We can also order custom colors and designs!

Listen To The Buzz

"We couldn't have been **more pleased** with how the party went. Everything ran so **smoothly** from start to finish and the staff was **extremely helpful** and made it **much less stressful** hosting a party. Will definitely recommend Busy Bee to all our friends. Our boys had the best time!"

"My only true feedback would be to highlight how **truly remarkable** your team is at setting up/decorating the party rooms! I knew I could drop my decorations off in the morning however I wasn't aware **they would set everything up** including my decorations. As usual my family was running late and while we arrived with about 5 mins to spare it was such a surprise and **huge sigh of relief** knowing **I didn't have to worry** about the decorations rather could focus on setting out the snacks and drinks and welcoming party guests."

"It was a **fantastic experience** and we definitely would have another party here! It was **so easy** and **well done**. Being able to do pizza and a fruit tray through you was also a huge help!"
